Extra hygiene practices at the fairground

As fair organisers, Messe Frankfurt's first priority remains public safety and health of fairgoers. To ensure exhibitors and visitors are meeting in a safe, hygienic venue, health care practices will be arranged as below:

- All exhibitors and visitors must have completed pre-registration and passed the **real-name authentication** before entering the hall*
- Onsite temperature check will be implemented
- Crowd control will be executed onsite
- All exhibitors and visitors are required to wear face mask during their visit
- Trained operations staff will be responsible for onsite instructions of daily cleaning routine, handling traffics to avoid overcrowded situations and of handling emergency situations.
- Public areas will be sterilised every hour while meeting rooms will be thoroughly cleaned after each use
- Adequate ventilation will be ensured through the monitoring of fresh air supply.
- Sufficient distances between audiences will be secured for seminars and conferences
- Medical service points will be onsite for necessary protective materials and emergency use

Online pre-registration has launched!
